Why do you want to join this course?(not more than 200 words):
 I am excited about joining the BE.CSE (Bachelor of Engineering in Computer Science and Engineering) course for several reasons. Firstly, I have always been fascinated by computers and technology. From a young age, I found myself drawn to coding, software development, and problem-solving. Pursuing BE.CSE will allow me to delve deeper into these areas and gain a comprehensive understanding of computer science. Secondly, the field of computer science is constantly evolving, offering endless opportunities for innovation and growth. By enrolling in this course, I can stay up-to-date with the latest advancements, learn new programming languages, and acquire practical skills that are highly valued in the industry. Moreover, BE.CSE opens doors to a wide range of career prospects. Computer science professionals are in high demand across various sectors, including software development, data analysis, artificial intelligence, and cybersecurity. I believe that by completing this course, I will
